Hi Paige,

Please see attached for the agenda, slides, run of show, list of attendees from states and state associations, and a 1 pager of background information on economics (this will not be walked through at the meeting, just background information for attendees).

The meeting has been moved to **WJCE B316**.

Thanks for printing these out for Dave and thanks for all your assistance!

Hi Paige,

We were planning to make a whole package for Dave – would it be easier for me to just e-mail it to you to print off so you can include your TPs with it?

Thanks!!
Lauren

Hi Kathy and Lauren –

Here are Dave Ross' draft talking points for the 404g state meeting on Thursday. As he directed, they are almost exactly the same as those used for the tribal webinar.

Do you have a final agenda that I can include in his meeting materials?

Thanks,
Paige
